

Wanda Jackson, Fever

Never know how much I love you never know how much I care
When you put your arms around me I get a fever that's so hard to bear
You give me fever when you kiss me fever when you hold me tight
Fever in the morning fever all through the night
Sun lights up the daytime moon lights up the night
I light up when you call my name and you know I'm gonna treat you right
You give me fever when you kiss me fever when you hold me tight
Fever in the morning fever all through the night
Everybody's got the fever that is somethin' you all know
Fever isn't such a new thing fever started long ago
(organ)
Captain Smith and Pocahontas had a very mad affair
When her daddy tried to kill him she said daddy oh don't you dare
He gives me fever with his kisses fever when he holds me tight
Fever I'm his Mrs daddy won't you treat him right
Now you listened to my story here's the point that I have made
Chicks were born to give you fever bring it fahrenheit or seantigrade
We give you fever when you kiss 'em fever when you live and learn
Fever till you sizzle what a lovely way to burn
What a lovely way to burn what a lovely way to burn
