

Wanda Jackson, My Baby Left Me

Yes my baby left me never said a word
Was it something I done something that he heard
My baby left me yeah he left me my baby even left me never said a word
Lord I'm standin' at my window wring my hands and cry
I hate to lose that man hate to say goodbye
You know he left me yeah he left me my baby even left me never said a word
(guitar)
Maybe one of these mornings Lord it won't be long
You'll look for me honey but your baby will done gone
You know you left yeah you left my baby even left me never said a word
Lord I'm standin' at my window wring my hands and moan
All I know is that all my love is gone
My baby left me yeah he left me my baby even left me never said a word
Yeah my baby left me never said a word
