

WARKINGS, Odin's Sons (ft. The Queen of the D

Doing shiet...

Under the water till we

...
Here's the warior that i want

...

From the north we will rise
We bring the winter
And fallin' smile
Northen boy break the fear
Fire and steel the endlessly

Spill the blood
Sadle the horse
We will crust the swords
Spill the blood
Sadle the horse
We're the Odin's Sons

...

From the north like the storm
We bring the ice andwill fall

Spill the blood
Sadle the horse
We will crust the swords
Spill the blood
Sadle the horse
We're the Odin's Sons
