You come along /2x  
And wash away the rain  
You're the Sun /2x  
That leads me babe to where I belong  
Where I come from  
Because of you., I know where I belong

You're a new song  
You're a new song baby  
You're a new song to me  
/2x

I was, I was, I wasn't wrong  
To think, to tjhing that it was wrong for me  
I want, I want it, I want it all  
I want /3x  
It all so sweet  
You got the moves /3x  
Bang, bang, baby  
You got the moves /2x

I habe never felt like this  
Dancing to you all night long

You're a new song  
You're a new song baby  
You're a new song to me  
/2x

Dancing to you all night long /3x

You're a new song  
You're a new song baby  
You're a new song to me
