Warren G, Annie Mae

(feat. Nate Dogg)

[Warren G]
1, 2 buckle my shoe,
3, 4 we gotta hit the store,
5, 6 back in the mix,
7, 8 Warren G and Nate,

[Nate Dogg]
Bang to the boogy say up jump the boogy
to the rhythm of the boogidy beat
I dont love no hoes they know so they don't be fuckin wit me

[Warren G]
A long time ago I met Annie Mae
she was killing me softly like everyday
penetentiary steel, was stickin for real
blockbustin through the walls
now I'm makin housecalls

[Nate Dogg]
I thought I'd met a lot of scandalous women, and then I met Annie Mae
Got a thin big butt like steel
But she didn't have a place to stay

[Warren G]
She was shackin at mine and shackin at his
blowin my socks, tellin his biz
Nate Dogg this and Nate Dogg that
213 skirt, and we stay intact
So I told the homey Nate don't be mislead
ain't no fun if the homey can't shake a leg
so I went to the house and knocked on the door
and guess who it was, Annie Mae you H-O

[Chorus]
I once knew a trick named Annie Mae (Annie Mae)
(I once met a bitch named Annie Mae)
I once knew a trick named Annie Mae (Annie Mae)
I once knew a trick named Annie Mae

[Nate Dogg]
Remember yesterday I asked you baby have I seen you somewhere before
with just one look, the pussy was took
cuz I make music that you adore
Now I'm not sure and I might be trippin
but in 94 I heard a song
it ain't no fun unless the homeys can come
so Warren G put a condom on

[Warren G]
Now Nate you know me and I know you
I got rubbers, gin and socco(?) too
so lets do the do, on how we do,
never my boot, just a freak that I knew

[Chorus]

[Warren G]
Annie Mae, Annie Mae, you ran out of time
Warren G and Nate Dogg blew your mind
cuz if you trickin wit him
you trickin wit me, you trickin wit the 2 1 muthafuckin 3
I came from rags to riches

trustin no snitches
thats how we do on 9 C I X bitches
buck em, fuck em, and put em in the trash
and jump in the 600 Benz and dash

[Nate Dogg]
Hold up Warren before you go just a couple things I got to say
Are you goin home, I wanna be alone
You need to take this... home

[Chorus x3]
