

Watermark, Holy

Holy presence, gentle brush of angel's wings
Creatures strange, breathing heavenly breaths
Encircle the throne...still they are saying...

Holy, Holy, Holy
Holy is the Lord God Almighty
All of heaven is singing
Holy, Holy, Holy
Holy is the Lord God Almighty
Who was, and is, and is to come

Mighty God, strong to save
Who can compare?
The earth is Yours, and all that's in it
Every knee will bow
And every tongue will sing...

Holy, Holy, Holy
Holy is the Lord God Almighty
All of heaven is singing
Holy, Holy, Holy
Holy is the Lord God Almighty
Who was, and is, and is to come

May You be worshipped on the earth in this moment
As You are worshipped there in heaven at Your throne

All this time, even before, You've been worshipped
All this time, forever unending, You'll be worshipped
All creation singing...

Holy, Holy, Holy
Holy is the Lord God Almighty
All of heaven is singing
Holy, Holy, Holy
Holy is the Lord God Almighty
Who was, and is, and is to come
Who was, and is, and is to come
Who was, and is, and is to come
