

Waylon Jennings, Are You Ready For The Country

Slippin' and a slidin' playin' Dominos leftin' and a rightin' ain't a crime you know

Well I gotta tell the story before it's time to go

Are you ready for the country are you ready for me

Are you ready for the country ain't that a sight to see

(steel + guitar)

Talkin' to a preacher said God was on his side

Talkin' to a butcher they both were sellin' hides

Well I gotta tell the story boys I don't know the reason why

Are you ready for the country...

(steel + guitar)

Are you ready for the country...
