

Waylon Jennings, T For Texas (Blue Yodel No. 1)

Yeah T for Texas T for Tennessee I said T for Texas T for Tennessee
T for that no good woman no good gal that made a wreck out of me Lord
(steel)

I'd rather drink myself muddy water sleep all night in a hollow log
I'd rather drink a muddy water sleep all night in a hollow log
Than to hang around now and be put down and treated like a dirty dog
(harmonica)

If you don't want me woman just say so that's all
If you don't want me woman all you gotta do is come around and say so that's all
Cause I can get myself more women than a passanger train can haul
(guitar)

T for Texas T for Tennessee I said T for Texas T for Tennessee
T for Telma no good gal that made a wreck of me
(come hear me yodel)
