

Wayne Wonder, The Mood Is Right

1, 2, 3

Wayne Wonder Baby
Soooooo Ohhhhhh
Same Song Left SiDe
Lets Go for the ladies
Baby
Sooo Ohhh
Mmmmmmm...

The mood is right (so right so right)
so lets get it on tonight
im gonna take my time (take my time girl)
so baby give me what i like

Girl...
something about the way you move
captured me
im like a slave for your love
that it cant set free
darling everytime you are around me
you feel so divine
you send chills up my spine

The mood is right (so right so right)
so lets get it on tonight
im gonna take my time (take my time girl)
so baby give me what i like (what i like)

Girl...
baby anytime that were apart
i always wanna feel
all of your tender touch
you know i want it so much
baby now that we are together
right here right now
i wanna make up for those times
with you tonite

The mood is right (so right so right)
so lets get it on tonight (lets get it on)
im gonna take my time (take my time girl)
so baby give me what i like (wat i like)

Grl...
so good so right (so good so right)
so good so good so right (so good so good so right)
so good so right (so9 good so right)
so good so right (so right)

the mood is right (so right so right)
so lets get it on tonight (lets get it on)
im gonna take my time (take my time girl)
so baby give me what i like (what i like)

something about the way you move
captured me
im like a slave for your love
that it cant set free
darling everytime that you are around me
you feel so divine
you send chills up my spine

the mood is right (so right so right)
so lets get it on tonight (lets get it on)

im gonna take my time (take my time girl)
so baby give me what i like (what i like)
