We Came As Romans, My Love (Justin Timberla

Ain't another woman that could take your spot my love

If I wrote you a symphony Just to say how much you mean to me (What would you do?) If I told you you were beautiful Would you date me on the regular? (Tell me would you?)

Well baby, I've been around the world But I ain't seen myself another girl (Like you) This ring here represents my heart But there's just one thing I need from you (Say I do)

Because I could see us holding hands Walking on the beach, our clothes in the sand I could see us on the countryside Sittin' on the grass layin' side by side

You could be my baby When I look at my lady Girl, you amaze me Ain't gotta do nothin' crazy See all I want you to do is be

My love, so don't give away My love, so don't give away Ain't another woman that can take your spot My love, so don't give away My love, so don't give away My love, so don't give away Ain't another woman that can take your spot My love, love, My love, my love

Now if I wrote you a love note And made you sign up every word I wrote (What would you do?) Would that make you want to change your scene And want to be the one on my team? (Tell me would you?)

See, what's the point in waiting anymore? 'Cause girl, I never been more sure (That baby, it's you) This ring here represents my heart And everything that you've been waiting for (Just say it, I do) Because

I could see us holding hands Walking on the beach, our clothes in the sand I could see us on the countryside Sittin' on the grass layin' side by side

You could be my baby When I look at my lady Girl, you amaze me Ain't gotta do nothin' crazy See all I want you to do is be My love, so don't give away My love, so don't give away Ain't another woman that can take your spot My love, so don't give away My love, so don't give away My love, so don't give away Ain't another woman that can take your spot My love, love, My love, my love

My love I could see us holding hands Walking on the beach, our clothes in the sand I could see us on the countryside Sittin' on the grass layin' side by side

You could be my baby When I look at my lady Girl, you amaze me Ain't gotta do nothin' crazy See all I want you to do is be

My love, so don't give away My love, so don't give away My love, so don't give away Ain't another woman that can take your spot My love, so don't give away My love, so don't give away My love, so don't give away Ain't another woman that can take your spot My love
