

# Webb Pierce, I'm Walking The Dog

I'm walking the dog and I'm never blue  
I'm walking the dog I ain't thinkin' bout you  
I don't need no one to tie me down  
I'm walking the dog and I'm paintin' the town  
Such an easy life I never knew until the day that I left you  
Well I'm a carefree lad that seen the light  
I'm walking the dog all the day and all night  
[ fiddle - steel ]  
Well I'm full of strength I just can't grow old  
I got a one track mind so I've been told  
But I'm fancy free I don't worry no how  
And I'm walking the dog all the law allow  
Such an easy life I never knew I can't believe it's really true  
Well I'm a carefree lad that seen the light  
And I'm walking the dog all the day and all night.
