

# Ween, Gabrielle

I don't mean to be so insolent  
But you know it's cause I love ya  
The foundation of my malevolence  
You know I'd never hurt you babe  
Sometimes I might get edgy  
But a man can sometimes be that way  
Nobody's perfect baby  
And I'll always love you anyway

Ohh, Gabrielle  
The sun is shining in your eyes  
Ohh, Gabrielle  
I didn't mean to make you cry  
Ohh, my sweet baby doll  
I put you above everything  
Ohh, Gabrielle  
I love you till the day I die

Sometimes I feel like my old man  
You know that's hard for me to say  
And sometimes I just lose my head  
Don't know why I get that way  
I want to keep you happy darling  
It could only work out that way  
Nobody's perfect baby  
And I'll always love you anyway

Ohh, Gabrielle  
The sun is shining in your eyes  
Ohh, Gabrielle  
I didn't mean to make you cry  
Ohh, my sweet baby doll  
I put you above everything  
Ohh, Gabrielle  
I love you till the day I die
