Ween, SHE FUCKS ME (II)

[studio version appears on "The Pod"] Stu's back on stage, ladies and gentlemen, Stu! Ha ha ha ha! We got Stu back! Reggaejunkiejew! I know... I know how you feel You want your jew He's doin' hard time, fuckin' federal petenen- penitentiary Pork roll egg and cheese on a kaiser bun [repeat throughout background of song] I met her at the Living Earth Show She crossed the room, the lights sank low We're together, she really digs me -- she fucks me Who could think I could be so happy? When I'm cold, I know she's keepin' me warm We're together, she really digs me -- she fucks me She's in my arms, she's in my heart, yeah Pins and needles up and down my spine We're together, she really digs me now She fucks me, she fucks me She fucks me She fucks me Right on She fucks me, D.C. On the downlow

We love you, D.C.
