

Weezer, Aloo Gobi

What's playing at the Aero?
Some French noir flick
Don't want to sit next to humans
I am agoraphobic
Order a decaf latte
Spin Gainsbourg tunes
Gosh dang this cast-iron lounge
My butt will bruise
I'd rather be a man on a mission

Oh my god
What's happening to me?
Walking down Montana
Same old dull routines
Same aloo gobi
Walking down Montana

You are not alone
You are not alone
Someone else will be there with you
Be there with you
You are not alone
Be there with you
Be there with you
You are not alone
