

# Wersja De Lux, Sometimes

Sometimes I feel good, sometimes I feel bad  
It's one of things I don't understand x2  
Sometimes I love you, sometimes I don't  
I don't know what's going on  
Sometimes I wanna go, sometimes I want to stay  
It's something wrong with me again x2  
Sometimes I'm happy, sometimes I'm sad  
I feel I'm going mad  
Sometimes I feel strong, sometimes I'm so weak  
This situation makes me sick x2  
I really have to finish this song  
Could you believe? I've lost my tongue  
All of my problems are out of hand  
So I may say this is the end x2
