

Wet Fingers, LSI (ft. SORAYA VIVIAN)

Love, sex, intelligence
Come through and
Do this things to me
Love, sex, intelligence
Come through and
Do this things to me

My LSI told you to be quiet
Your LSI is my heart desire
Together we are strong
Enough to carry on
And on, and on

Love, sex, intelligence
Come through and
Do this things to me
Love, sex, intelligence
Come through and
Do this things to me

Love, sex, intelligence
Love, sex, intelligence
