

Wham!, If You Were There

You're the one that makes my day a dream come true,
Yet and still you wonder if I think of you.
You ought to see how the other girls behave when you're not around,
And only then you would know that it's on your finger I'm wound...

CHORUS

If you were there you'd know,
If you were there you'd know.
If you were there you'd know,
If you were there you'd know
That I care.

There's no need for you not to have faith in me,
'Cause it's by your side girl that I long to be.
Yes, there are times with my friends when I don't have much to say,
What you don't know is with you I could never act that way...

REPEAT CHORUS

There's no need for you not to have faith in me,
'Cause it's by your side girl that I long to be...
Yes there are times with my friends when I don't have much to say...
What you don't know is with you I could never act that way...

REPEAT CHORUS

I care for you baby...
And you...
Have faith in me.
