

Wheatus, Graduation

And so we talked all night about the rest of our lives
Where we`re gonna be when we turn 25
I keep thinking times will never change
Keep on thinking things will always be the same
But when we leave this year we won` t coming back
No more hanging out cause we`re on a different track
And if u got something that u need to say
You better say it right now cause u dont have a nother day
Cause were moving and we cant slow down
These memories are playing like a film without sound
And i keep thinking of that night in june
I didn` t know much of love
But it came too soon
And there was me and you
And then we got real cool
Stay at home talking on the telephone with me
We` d get so excited, wed get so scared
Laughing at our selves thinking lifes not fair
And this is how it feels
1.As we go on
We remember
All the times we
Had together
And as our lives change
Come whatever
We will still be
Friends Forever
So if we get the big jobs
And we make the big money
When we look back now
Will our jokes still be funny?
Will we still remember everything we learned in school?
Still be trying to break every single rule
Will little brainy Bobby be the stockbroker man?
Can we ever find a job that won` t interfere with a tan?
I keep, I keep thinking that it`s not goodbye
Keep on thinking it`s a time to fly
And this is how it feels
Repeat 1
La, la, la, la...
Yeah, yeah, yeah...
La, la, la, la...
We will be friends forever
Will we think about tomorrow like we think about now?
Can we survive it out there?
Can we make it somehow?
I guess I thought that this would never end
