Wheatus, Graduation

And so we talked all night about the rest of our lives

Where we're gonna be when we turn 25

I keep thinking times will never change

Keep on thinking things will always be the same

But when we leave this year we won't coming back

No more hanging out cause we're on a different track

And if u got something that u need to say

You better say it right now cause u dont have a nother day

Cause were moving and we cant slow down

These memories are playing like a film without sound

And i keep thinking of that night in june

I didn't know much of love

But it came too soon

And there was me and you

And then we got real cool

Stay at home talking on the telephone with me

We'd get so excited, wed get so scared

Laughing at our selves thinking lifes not fair

And this is how it feels

1.As we go on

We remember

All the times we

Had together

And as our lives change

Come whatever

We will still be

Friends Forever

So if we get the big jobs

And we make the big money

When we look back now

Will our jokes still be funny?

Will we still remember everything we learned in school?

Still be trying to break every single rule

Will little brainy Bobby be the stockbroker man?

Can we ever find a job that won't interfere with a tan?

I keep,I keep thinking that it's not goodbye

Keep on thinking it's a time to fly

And this is how it feels

Repeat 1

La,la,la,la...

Yeah, yeah, yeah...

La.la.la.la...

We will be friends forever

Will we think abou tomorrow like we think about now?

Can we survive it out there?

Can we make it somehow?

I guess I thought that this would never end
