

Whipped Cream, Told Ya (ft Lil Xan)

[Intro]

Ooh, ah

We came a long way

WHIP-WHIP-WHIPPED CREAM

Yeah, let's go

[Verse 1]

I just got that check, I spent it all up on my shoes

If you do not fuck with me, I have to cut you loose

They said that I wouldn't make it, now my talent's a world sensation

Made a lot of money, think it's time for a vacation

Every day, I wake up thinking, "Goddamn, I just made it," yeah

I don't fuck with fakes, so I just put 'em in the basement

Ladies really love me, is it clout or just the money?

People hate my guts and I just think it's really funny, yeah

[Chorus]

Yeah, yeah, I told ya so

Took too many, might overdose

Yeah, yeah, yeah, I told ya so

Why you gotta be so emotional? Yeah

Yeah, yeah, I told ya so

Took too many, might overdose

Yeah, yeah, yeah, I told ya so

Why you gotta be so emotional? Yeah

[Verse 2]

Back, back, back, back, back, can you back it up?

Always hatin' on me and you wonder why I act up

Brothers got my back and they stay hittin' like a Mack truck

Hit 'em on the celly if I really need the backup

Whip, whip, whip, whip, whip, yeah, whip it up

Sip, sip, sip, sip, sip out my sippy cup

Drip, drip, drip, drip, then I mix it up

Yeah, ayy, yeah, I mix it up

[Chorus]

Yeah, yeah, I told ya so

Took too many, might overdose

Yeah, yeah, yeah, I told ya so

Why you gotta be so emotional? Yeah

[Outro]

Ayy, oh Lord, the kid did it again

Your shows be lookin' little as shit

Oh boy, they caught me sinnin' again

Oh boy, they caught me sinnin' again, yeah
