

White Skull, Lady of Hope

Darker were the pampas dust, poor and lone gorgeous latina cinderella's born leave behind the shadows
argentina, here is your evita (tsarina) for the nation i will fight and win when the lights were low came
powerful her speeches high above the crowds illness stroke the woman but the legend goes
argentina, here is your evita (tsarina) for the nation i will fight and win when the lights were low came
argentina, here is your evita (tsarina) for the nation i will fight and win when the lights were low came
