

Whitesnake, Give Me All Your Love

When I first saw you baby
You took my breath away,
I knew your name was trouble
But, my heart got in the way
I couldnt stop myself from reaching out,
I could not turn away
I dont even know your name
An I cant leave you alone,
Im running round in circles
Like a dog without a bone
I know the game youre playing
But, baby I just cant let go
So give me all your love tonight,
Give me all your love tonight
Ill do anything you want
Just give me all of your loving tonight
Ill work hard everyday
To love and treat you right.
Ill rock you in the morning
And roll you in the night.
Any way you want
Im gonna prove my love for you.
So give me all your love tonight,
Give me all your love tonight
Ill do anything you want,
Just give me all of your loving tonight, tonight, tonight...
So give me all your love tonight,
Give me all your love tonight
Ill do anything you want,
Just give me all of your loving tonight
So give me all your love tonight,
Give me all your love tonight
Ill do anything you want,
Just give me all of your loving tonight
I am blinded by your smile
And Im crazy about your walk
I shiver and I shake
When I hear you baby talk
Im a fool for your loving babe,
Give me all your loving tonight...
So give me all your love tonight,
Give me all your love tonight
Ill do anything you want,
Just give me all of your loving tonight
Anything you want from me...
So give me all your love tonight,
Give me all your love tonight
Ill do anything you want,
Just give me all of your loving tonight, tonight, tonight...
