

Whitney Houston, All At Once

All at once
I finally took a moment
and I'm realizing that you're not coming back
and it finally hits me - all at once.
all at once
I started counting teardrops
and at least a million fell
my eyes began to swell
and all my dreams were shattered
all at once.
Ever since I met you you're the only love I know
and I can't forget you though I must face it all alone.
All at once
I'm drifting on a lonely sea
wishing you come back to me
and that's all that matters now
all at once
I'm drifting on a lonely sea
holding on to memories
and it hurts me more than you know
So much more than it shows
all at once
All at once
I'm drifting on a lonely sea
wishing you come back to me
and that's all that matters now
all at once
I'm drifting on a lonely sea
holding on to memories
and it hurts me more than you know
So much more than it shows
all at once
And that's all that matters now
all at once I'm drifting on a lonely sea
holding on to memories
and it hurts me more than you know
so much more than it shows - all at once
