

# Whitney Houston, Eternal love

Something's wrong  
I don't understand  
The way I feel  
I don't know where I am  
There's some mistake  
What am I doing here  
Away from you  
Where I belong  
It isn't fair  
She's keeping us apart  
And in return  
I'm left with just my broken heart  
I close my eyes  
I feel you close to me  
Back in your arms  
Where I belong  
Eternal Love  
that's all that I have to give  
It's only for you and me  
You're all that I've got  
Just say you love me  
And that no one else  
Can ever make you feel the same  
Something's wrong  
I don't understand  
I've never felt this way  
For any other man  
My only dream  
My one reality  
My pledge to you  
Eternal Love  
All that I give you is  
All that I have  
Oh baby take me in your arms  
Just say you love me  
And that no one else  
Can ever make you feel the same  
No one loves you like I love you  
No one loves you like I do  
It's just not fair  
You can't keep me away  
Cause I won't give up  
I've got to get you back today  
My only dream  
My one reality  
My pledge to you  
Eternal Love
