

Whitney Houston, Exhale

Everyone falls, in love sometimes
Sometimes it's wrong, and sometimes it's right
For every win, someone must fail
But there comes a point when...
When we exhale, yeah yeah

Say, shoop, shoop, shoop...
All you gotta do is say shoop, shoop, shoop...
My Lord now, shoop, shoop...

2-Sometimes you laugh, sometimes you cry
Life never tells us, the whens and whys
When you've got friends, to wish you well
You'll find a point when, you will exhale

Yeah, yeah

Say, shoop, shoop, shoop..
Say shoobedoo...

Oh, hearts are often broken
When there are words unspoken
In your soul there's, answers to your prayers
If you're searching for, a place you know
A familiar face, somewhere to go
You should look inside your soul
And you're half way there
(rpt 2)

I say shoop, shoop...
Feels all right, you can say shoop...
