

# Whitney Houston, Greatest love of all

I believe the children are future  
Teach them well and let them lead the way  
Show them all the beauty they possess inside  
Give them a sense of pride to make it easier  
Let the children's laughter remind us how we used  
to be

Everybody searching for a hero  
People need someone to look up to  
I never found anyone to fulfill my needs  
A lonely place to be  
So I learned to depend on me

Chorus:

I decided long ago, never to walk in anyone's  
shadows

If I fail, if I succeed

At least I live as I believe

No matter what they take from me

They can't take away my dignity

Because the greatest love of all

Is happening to me

I found the greatest love of all

Inside of me

The greatest love of all

Is easy to achieve

Learning to love yourself

It is the greatest love of all

I believe the children are our future

Teach them well and let them lead the way

Show them all the beauty they possess inside

Give them a sense of pride to make it easier

Let the children's laughter remind us how we used  
to be

Chorus

And if by chance, that special place

That you've been dreaming of

Leads you to a lonely place

Find your strength in love
