Whitney Houston, He's All Over Me

Oh he's all He's all over me He's keeping me alive He's all over me He's keeping me alive He's all over me And he's keeping me alive The Lord is keeping me alive I know he's He's keeping me alive

[Chorus:] He's all over me He's all in my mind right now And he's keeping me alive He's all over me And he's keeping me alive He's all over me And he's keeping me alive Yes he is I know the Lord he is He's keeping me alive Oh, yes he is, yeah

He's in my hands He's in my feet I can hardly keep my seat He's in my spirit and my soul I will never grow old He's in my heart He's in my mind I am glad am I He's all over me The Lord is keeping me alive I know he is keeping me alive He's keeping me alive

Like the Hebrew boys Thrown in the fiery furnace See everybody thought it was over for them But the Lord brought them out on time He's the firm foundation The God of all creation There's nothing that he won't do for you You can trust him, he'll see you through

[Repeat Chorus]
