

Whitney Houston, Hold On

When you're down and in despair
Don't be uneasy cause he'll be there
So don't you worry, don't you fret
The lord has never failed you yet

Chorus:

So hold on, help is on the way
Hold on, God is on his way
Hold on, he's on his way
He told me to hold on
He's on his way
Hold on, he's coming soon
Pray, he'll be there
Now when it seems that you can't stand
Just hold on to god's unchanging hand
Yeah, weeping may, yes, endure for just one night,
But joy will come in the morning light

Chorus

He may not come when you want him
But he's right on time
He'll be right there
Help is on the way (x3)
The word told me
If I ask he's on his way
I'm thankful cause I know he is
Come just say☐(help)
Come on just try☐(help)
Ask him for a little bit☐(help)
He'll give it to you right away☐(help)
Know the help I know☐(help)
I've called him before
So glad...
