

Whitney Houston, Hold on, help is on the way

When you're down and in despair
Don't be uneasy because he'll be there
Say don't you worry, no don't you fret
The Lord has never, never failed you yet

Chorus:

So hold on, help is on the way

Hold on, God is on his way

Hey hold on he's on his way

He told me to hold on

He's on his way

Hold on he's coming soon

Pray, he'll be there

Cmon now, yeah

Now when it seems that you can't stand

Just hold on to God's unchanging hand

Yeah, weeping may, yes, endure for just one night,

But joy will come in the morning light

Chorus:

Hold on he's on his way

Come on hold on

See I've tried it and I know

Help is on the way

Hold on, hold on

I'm begging cause I know

He's on his way

He may not come when you want him

But he's right on time

But he'll be right there (on time)

Help is on the way

Help is on the way

Help is on the way yeah

The word told me

If I ask he's on his way

I'm thankful cause I know he is

Come on just say, help

Come on just try, help

Ask him for a little bit, help

He'll give it to you right away, help

Help, Believe he's on his way now, help

Help, Know the help I know, help

I've called him before, help

He said his help on his way, help

Help is on the way

So glad to know hey...
