

Whitney Houston, Hold On Help Is On The Way

When you're down and in despair
Don't be uneasy because he'll be there
Say don't you worry, no don't you fret
The Lord has never, never failed you yet

[Chorus:]
So hold on, help is on the way
Hold on, God is on his way
Hey hold on he's on his way
He told me to hold on
He's on his way
Hold on he's coming soon
Pray, he'll be there
Cmon now, yeah

Now when it seems that you can't stand
Just hold on to God's unchanging hand
Yeah, weeping may, yes, endure for just one night,
But joy will come in the morning light

[Chorus:]
Hold on he's on his way
Come on hold on
See I've tried it and I know
Help is on the way
Hold on, hold on
I'm begging cause I know
He's on his way

He may not come when you want him
But he's right on time
But he'll be right there (on time)

Help is on the way
Help is on the way
Help is on the way yeah
The word told me
If I ask he's on his way
I'm thankful cause I know he is

Come on just say, help
Come on just try, help
Ask him for a little bit, help
He'll give it to you right away, help
Help, Believe he's on his way now, help
Help, Know the help I know, help
I've called him before, help
He said his help on his way, help
Help is on the way
So glad to know hey...
