## Whitney Houston, Hold On Help Is On The Way

When you're down and in despair Don't be uneasy because he'll be there Say don't you worry, no don't you fret The Lord has never, never failed you yet

[Chorus:] So hold on, help is on the way Hold on, God is on his way Hey hold on he's on his way He told me to hold on He's on his way Hold on he's coming soon Pray, he'll be there Cmon now, yeah

Now when it seems that you can't stand Just hold on to God's unchanging hand Yeah, weeping may, yes, endure for just one night, But joy will come in the morning light

[Chorus:] Hold on he's on his way Come on hold on See I've tried it and I know Help is on the way Hold on, hold on I'm begging cause I know He's on his way

He may not come when you want him But he's right on time But he'll be right there (on time)

Help is on the way Help is on the way Help is on the way yeah The word told me If I ask he's on his way I'm thankful cause I know he is

Come on just say, help Come on just try, help Ask him for a little bit, help He'll give it to you right away, help Help, Believe he's on his way now, help Help, Know the help I know, help I've called him before, help He said his help on his way, help Help is on the way So glad to know hey... Woo
