

# Whitney Houston, I Know Him So Well

Nothing is so good it lasts eternally  
Perfect situations must go wrong  
But this has never yet prevented me  
From wanting far too much for far too long  
Looking back, I could have done it differently  
Won a few more moments, who can tell?  
But it took time to understand the man  
Now at least I know, I know him well

Wasn't it good, Wasn't it fine  
Isn't it madness he can't be mine  
But in the end, he needs a little more than before  
Security, he needs his fantasy and freedom  
I know him so well

No one in your life is with you constantly  
No one is completely on your side  
And though I move my world to be with him  
Still the gap between us is too wide  
Looking back, I could have played it differently  
Learned about the man before I fell  
But I was ever so much younger then

Wasn't it good (oh so good), Wasn't it fine (so fine)  
Isn't it madness he can't be mine

Didn't I know how it would go  
If I knew from the start  
Why am I falling apart

Wasn't it fine  
Isn't it madness he can't be mine  
But in the end, he needs a little more than before  
Security, he needs his fantasy and freedom  
I know him so well  
It took some to understand him  
Hoo ooh I know him so well
