

# Whitney Houston, I Learned From The Best

Did you really think that  
I would really take you back  
Let you back in my heart one more time  
Ohh. No. No.  
Did you think that I'd still care  
That there'd be more feeling there  
Did you think you could walk back in my life.  
So you found you miss the love you threw away.  
Baby but you found it out too late. Too Late.

[Chorus:]

And so now you know the way it feels to cry  
The way that I cried when you broke my world in two.  
Baby I learned the way to break a heart  
I learned from the best.  
I learned from you.  
Oh baby now.  
I learned from you  
I remember cold nights  
Tears I though would never dry  
How you shattered my world  
With your goodbye. Your goodbye baby  
Would've sold my soul then.  
Just to have you back again  
Now you're the last thing on my mind.  
Now you say your sorry and  
You've changed your ways  
Sorry but you changed you ways too late.

[Chorus]

So when all you've got are sleepless nights  
When those tears are clouding up your eyes  
Just remember it was you who said goodbye  
Who said goodbye.

[Instrumental break]

[Chorus]
