

# Whitney Houston, I'm Knockin'

Who's to say it's easy  
Sometimes life's not fair  
I've heard some say just knock the door will open  
And when it does you'll find love standing there

And if it's true I'm knockin'  
Come open up the door  
My heart's been right here waiting  
For someone to adore

Well if it's true I'm knockin'  
Come open up the door  
My heart's been right here waiting  
For someone to adore  
Say if it's true

In sight we have to choices  
And it's told to me to do or die  
And every word he speaks makes me certain  
Beyond the door's life's reason why

[Chorus]  
(Knock the door will open)  
The door will open  
(Look and you will find it)  
Look and you will find it  
For certain it's true for me and for you  
When love comes and knocks  
Here's the right thing to do

[Chorus]  
Ask me what I want  
Peace of mind  
Ask me what I don't  
Waste of time  
Tell me that it's true  
And you will find me knockin'
