Whitney Houston, I Wanna Dance With Someboo

Clock strikes upon the hour And the sun begins to fade Still enough time to figure out How to chase my blues away I've done alright up till now It's the light of day that shows me how And when the night falls The loneliness calls

Oh I wanna dance with somebody I wanna feel the heat with somebody Yeah I wanna dance with somebody With somebody who loves me Oh I wanna dance with somebody I wanna feel the heat with somebody Yeah I wanna dance with somebody With somebody who loves me

I've been in love and lost my senses Spinning through the town Sooner or later the fever ends And I wind up feeling down I need a man who'll take a chance On a love that burns hot enough to last So when the night falls My lonely heart calls

Oh I wanna dance with somebody I wanna feel the heat with somebody Yeah I wanna dance with somebody With somebody who loves me Oh I wanna dance with somebody I wanna feel the heat Yeah I wanna dance with somebody With somebody who loves me

Somebody who somebody who Somebody who loves me Somebody who somebody who To hold me in his arms oh I need a man who'll take a chance On a love that burns hot enough to last So when the night falls My lonely heart calls

Oh I wanna dance with somebody I wanna feel the heat with somebody Yeah I wanna dance with somebody With somebody who loves me Oh I wanna dance with somebody I wanna feel the heat with somebody Yeah I wanna dance with somebody With somebody who loves me
