

Whitney Houston, Im Your Baby Tonight

Verse 1

From the moment I saw you I went outta my mind
Though I never believed in, love at first sight
But you got a magic, that I just can't explain
Well you got a, you got a way that you make me feel
I can do anything for you baby
I'll be down for you baby
Lay all my cards out tonight
Just call on me baby
I'll be there in a hurry
It's your move. so baby baby decide
Chorus

Whatever you want from me
I'm givin' you everything
I'm your baby tonight
You've given me ecstasy
You are my fantasy
I'm your baby tonight
Verse 2

From the second you touched me, I was ready to die
I've never been fatal, you're my first time
I feel like an angel, who just started to fly
Well you got a, you got a way that you make a me
Feel I can, feel I can do anything for you baby
I will fly for you baby
Hold on and enjoy the ride
I'm not in no hurry
We can fly all night baby
It's your move, now baby, baby let's fly

Chorus

Bridge

Whatever I do boy
It's all about you baby
And ain't it the truth boy
I'm helplessly in love with you
What else can I do boy
But be there for you baby
You got a, you got a way that you make a me
Feel I can, feel I can do any, do anything
Chorus

Rap

Looks like I'm fatal
It's all on the table
And baby you hold the cards
You got the magic
And I've got to have it
I don't want the pieces
I want every single part
I'll be your angel
I'm ready and able
Whatever you want is fine
Whenever your ready, just call on your lady
I'll be your baby tonight
Chorus
