

Whitney Houston, Look Into Your Heart

This ones for you Curtis, I love you.
(do do do dooooo . . .)

If you look into your heart
With a positive mind
Take some inventory of your woman and your glory
Leave the bad things behind (ooh)
Everybody's got a story (yes they do)
About love and the good things
But all the spices of your life
You just got to pay the price
If you know what I mean (ooh yeah)
I'm telling everybody
I know how a girl becomes some pride
When I finally found there was nothing left
I said I do believe I found myself
And I want to give it to you baby oh yes I do (yeah yeah)
So if you look into your heart
With a positive mind
You can take some inventory of your woman and your glory
Leave the bad things behind
And your woman really loves me we don't have that everyday (oh no no no)
I know my man really needs me I say it
What ever he wanna do I wanna do it with you baby (yeah yeah)
(do do do dooooo . . .)
Jump on the night
Love's not an easy game
And he's strong and he's straight
Now that I see
What he's givin' me
I say what ever he wanna do
I wanna do it with you baby
I'm loving you more and more and more and more
And giving you all and all of me
I say now mercy baby
I'm loving you more and more and more and more
I'm giving you all and all of me
Oh yes I am
Say mercy baby
I'm loving you more
Mercy baby
Mercy baby
Mercy baby
