

# Whitney Houston, Take good care of my heart

Time can pass so slowly, when you feel so all  
alone

Love can strike like lightning, when you find  
your heart a home

I've seen it in the movies, read about it in a  
book

I've never feel it, but your touch was all it  
took

Chorus:

Take good care of my heart

Take good care of my heart

Baby you're the first to take it

You're the only one who can break it

I love you more than I should

But it keeps me feeling so good

I've waited for your love for ever

You're the one to take good care of my heart

Come and make you're magic, til you have me  
hypnotised

If we get any closer, I'll be drowning in your  
eyes

You're the one I needed most, when my love was on  
the line

I'm so glad you gave me yours, when I gave you  
mine

Chorus
