Whitney Houston, There is music in you

Impossible things are happening everyday...
Someone wants you
You know who
Now you're living
There's music in you
Now you'll hear
Something new
Someone's playing
The music in you
Now you're living
You know why
Now there's nothing
You won't try
Move a mountain
Light the sky
Make a wish come true
There is music in you
Now you can go where ever you want to go
Now you can do whatever you want to do
Now you can be whatever you want to be
And love is a song you will your whole life through
Move a mountain
Light the sky
Make a wish come true
There is music in you
In youuuuuuuuuuuuu...
