

Whitney Houston, There is music in you

Impossible things are happening everyday...

Someone wants you

You know who

Now you're living

There's music in you

Now you'll hear

Something new

Someone's playing

The music in you

Now you're living

You know why

Now there's nothing

You won't try

Move a mountain

Light the sky

Make a wish come true

There is music in you

Now you can go where ever you want to go

Now you can do whatever you want to do

Now you can be whatever you want to be

And love is a song you will your whole life through

Move a mountain

Light the sky

Make a wish come true

There is music in you

In youuuuuuuuuuuuuuu...
