

Whitney Houston, When you believe

Many nights we've prayed
With no proof anyone could hear
In our hearts, a hopeful song
We barely understood
Now we are not afraid
Although we know there's much to fear
We were moving mountains long
Before we knew we could, oh yes
1 - There can be miracles when you believe
Though hope is frail, it's hard to kill
Who knows what miracles you can achieve
When you believe, somehow you will
You will when you believe
Oh yeah, in this time of fear
When prayer so often proves in vain
Hope seems like the summer birds
Too swiftly flown away
Yet now I'm standing here
My heart so full I can't explain
Seeking faith and speaking words
I never thought I'll say
Repeat 1
They don't always happen when you ask
And it's easy to give in to your fears
But when you're blinded by your pain
Can't see the way, get through the rain
A small but still, resilient voice
Says hope is very near, oh
Repeat 1
You will when you
You will when you believe
Just believe
I believe, I believe
Just believe
You will when you believe
