

# Whitney Houston, Where You Are

I saw the news this morning  
Saw your face accross the screen  
And as I poured my coffee  
I picked up a magazine

[Chorus]

But as I turned the page, and looked inside, there you were again  
Oh these lonely times, they never seem to end -  
You're too far  
I know I should be there where you are

Today I did some shopping  
Just had to clear my mind again  
(I can't stop thinkin' 'bout cha)  
I hopped into a taxi, seemed...  
In a moment I was home... home again

[chorus]

Tossing and turning in my sleep  
I can't make it without you, now  
I'm gonna take the next plane out  
I got to get to where you are  
No matter how near or how far  
Or then if you're a star  
I know I should be there where you are

[chorus]
