

# Whitney Houston, You'll Never Stand Alone

If there's a time when the fears should fill your eyes  
And you can't see past the shadows  
To the sun on the other side  
Don't despair, because there always will be  
someone there  
Don't lose faith, love won't let you lose your way  
Because

You, you'll never stand alone  
I'll be standing by  
I'll keep you from the cold  
I'll hold you when you cry  
I'll be there to be strong

When you can't find the strength inside  
And you, you'll always have a home  
In these arms of mine  
You'll never stand alone  
Love is standing by

If there's a day when the rain should find your heart  
And you're cold and tired and lonely  
And this would have you in the dark  
Don't be scared, you can just reach for me and I'll be there  
Don't lose hope, love will see you through you know  
Because

You, you'll never stand alone  
I'll be standing by  
I'll keep you from the cold  
I'll hold you when you cry  
I'll be there to be strong

When you can't find the strength inside  
And you, you'll always have a home  
In these arms of mine  
You'll never stand alone  
Love is standing by

Standing by to life you above all the hurt and pain  
Standing by to carry you through all the tears and pain  
Reach for me, I'll be with you  
Reach for me, I'll see you through

I'll be the one to hold you  
The one to show you that  
You, you'll never stand alone  
I'll be standing by

I'll keep you from the cold  
I'll hold you when you cry  
I'll be there to be strong  
When you can't find the strength inside  
And you, you'll always have a home  
In these arms of mine  
You'll never stand alone  
Love is standing by
