

Wide Mouth Mason, O'

O.
Stay with me tonight
Stay with me tonight
'Cause I'm all alone again

O.
Lay your body down
Pretend I'm anyone
It really doesn't matter

The light
And angle in the room
You wear the same perfume
As the one I'm missing

O.
I'll show you it's alright
Play with me tonight
Pretend it's him you're kissing

O.
Lay your body down
Pretend I'm anyone
It really doesn't matter

Make
The rest up in your head
The things he would've said
It really doesn't matter

Let's split the money for a cab
Maybe we'll hookup when I come back
Or maybe not
Probably not

O.
The way you touch your hair
Something in your stare
Makes me think you feel the same way

So
Stay with me tonight
Stay with me tonight
Tomorrow we'll be just friends

O.
Lay your body down
Pretend I'm anyone
It really doesn't matter

Make
The rest up in your head
The things he would've said
It really doesn't matter

O.
Lay your body down
Pretend I'm anyone
It really doesn't matter

O.
O.
O.
Ohh.
