

# Widespread Panic, Action Man

Willie said "he was the mostest horse"  
Mahubah, Fair Play, desert mama's boy  
Running in first, neither proud nor cursed  
Carries the weight like a child takes to its toy

Side by side, souls of kind, different world  
Hearts of gold, limbs of steel, Man-Of-War

Oh, place your bets boys, get out the gate in time  
Burn the books, you ain't seen nothin' yet  
Maybe back at that old Kentucky home  
That it was luck, we'll catch him if we can

Fire inside, blaze of glory, space in time  
Heart of gold, limbs of steel, Man-Of-War

Oh, Saratoga  
Graveyard of favorites  
Odds are more than one hundred  
Oh, Willie said  
Ooo, Saratoga

Nowhere, nowhere to run  
War Admiral take the highest prize  
Three hundred thirty-nine little children  
Workin' the rail, never, never look back

Fire inside, blaze of glory, space in time  
Heart of gold, limbs of steel, Man-Of-War

Side by side, souls of kind, different world  
Heart of gold, bones of steel, Man-Of-War
