

Wig Wam, In my dreams

Come on, come on, come on
Love is all over me
Over me
I don't know if this is what it seems
Is it real or just a fantasy
Aim to please is all you ever do
Making all my fairytales come true
Come on, come on, come on
Love is all over me
You are the only one
Living in my fantasy
In my dreams
Scared of waking up and you'd be gone
Face the truth and I'll be all alone
Baby let's get into the groove
Show me all you're dirty moves
Come on, come on, come on
Love is all over me
You are the only one
Living in my fantasy
In my dreams
Come on, come on, come on
Love is all over me
You are the only one
Living in my fantasy
In my dreams
In my dreams
If this ain't real dont wake me up
I don't ever wanna stop
Come on, come on, come on
Love is all over me
You are the only one
Living in my fantasy
In my dreams
Come on, come on, come on
Love is all over me
You are the only one
Living in my fantasy
In my dreams
Come on, come on, come on
Love is all over me
You are the only one
Living in my fantasy
In my dreams
