I'mma call you mama  
Mami call me papa  
We gon' get down like you know what's up  
The world don't matter, your problem don't matter  
Cause we gon' get dumb

You should be my honey  
Lot of mercy, lot of mercy  
Pretty baby, come with me

Won't you let me holler  
Holler at you, holler at you  
Won't you be my fantasy  
Girl I got you, girl it got you

Time for drinks, no time to think  
Let's do our thing

Go on and scream and holler  
Put my hands in the air, party like we don't care  
Where the ladies? Where the girls?

Pretty ladies around the world  
It's a party, come with me

Lot of mercy, lot of mercy  
Pretty baby, come with me
