

# Will Smith, Special Announcement

okay we're rollin  
yo this is dana we from word up records here  
we'd just like to introduce some of our dope music to you  
saying dope is like the kind of music you would love to ear  
like my man on the wheels of steel yeah that's him the magnificent Jazzy Jeff  
the supreme one word  
can I get a little help from my main man fresh prince

and you know it we just gonna take this couple of minutes  
to say whats up and thank you to all our people who we wanna thank dana  
id like to thank each and every one of you who bought our records word  
and continue to buy them  
that's right dana goodman  
to all the people who play them haha word thank you  
thanks sandra  
yeah thanks paul  
who else man  
we wanna thank the whole world

jeff wants to extend special thanks extra special thanks  
this extra special thanks to the three guys  
that started him out mixing man way back years ago  
oh okay it was a guy named pearly lewis  
oh yeah a guy named kenneth adams word and a guy named mark johnson jeff wants to thank the  
im with it we cant forget our main man  
hes the manager of the group lorenzo pen word  
and we also cant forget our other main man  
the man that puts our joints together for us whats his name  
joe the butcher and you know it jeff wants to say  
thanks tina he loves you and of corse  
the fresh prince wants to extend special thanks to gina
