

# Will Smith, Who Am I?

(Rodney Jerkins)  
Darkchild, Big Will, 2000  
Bust out, shake it up now  
Come on, come on  
And shake it up now  
Who am I?  
You know, you know  
Big Will, ya ready?  
Come on

(Will Smith)  
When I was a lad I used to dream that (one day)  
I'd earned the cream that make phat rocks gleam  
Phat rhymes to make it seem that I was like Bill Gates  
Writing lines, seal fates  
Power to change the whole set  
For exposure or forfeit  
And with the wicked sense on how to get the picket fence  
Envisioned a hot life, hot wife  
Wanted a crib, well a palace like South Fork on Dallas  
With lights simmer trees for the ambiance  
I been up and down and high and low  
Fly with dough, broke looking grimy yo  
My shiny glow definitely ain't cause of my Bentley  
It's something that my fam put in me  
Who am I? You ask  
The guy with the razzmatazz with ten duffel bags packed with pazazz  
In the past cut twice by the ladies of my life  
(and the wounds) stitched up by my wife  
Who am I?  
It's suffice to say found gold in my heart  
Put the ice away  
Nicer day, live foul homie it's a price to pay  
Even when it's rainy still I say it's nice to day  
Who am I?  
That brother with the platinum plaque  
With the strength to stand and say gangsta rap was whack  
The fact is that when that brother rap or act  
Hold position, front of the pack  
Who am I?

(Tatyana Ali)  
I be fully educated  
Not the one to play with  
And I find that some of y'all hate it  
But you wanna know baby  
Who am I?  
I be fully educated  
Not the one to play with  
And I find that some of y'all hate it  
But you wanna know baby  
Who am I?

Baby if you really wanna know about me  
I'll tell you who I am  
I'll tell you I be not the one for games  
But if you're right with me  
I know I'll do the same

I be fully educated  
Not the one to play with  
And I find that some of y'all hate it  
But you wanna know baby  
Who am I?

I be fully educated  
Not the one to play with  
And I find that some of y'all hate it  
But you wanna know baby  
Who am I?  
(L-Y-T-E)

(MC Lyte)  
Who am I?  
You dare to ask  
The same female that hailed from Brooklyn and wailed on that ass  
I'm your worst nightmare, you're best wet dream  
Break the bank papi cause we're coming for the cream  
And while I'm in the world ain't none of y'all safe  
Hold face, sell a million and you still won't equate  
So who am I? It ain't hard to tell  
Like staying on track cause you thinking I fell  
See a lot know my face but a few know me well  
Just who I am is the one to make ya gel  
Who am I? The chick that keeps spittin'  
Taking back all my snip that was bitten  
Rewritten dangerous liaison  
With the shades on  
Making sure the track stays on  
Days on end I'll be that one true friend  
That will always be around when the world falls down  
I'm honest to the bone  
No question, suggest  
You don't wanna know  
I give the truth, nothing less than  
I'm sweet with a heart to fit  
Smart as a whip  
You feed me well but I'm still hard to get  
I'm like a calculus problem hard to solve  
Study me well if you wanna get involved  
And even after that I'm still unpredictable  
Now who am I? I'm unforgettable

(Tatyana Ali)
