Will Young, Beyond The Sea

Somewhere beyond the sea Somewhere waiting for me My lover stands on golden sands And watches the ships that go sailing

Somewhere beyond the sea She's there watching for me If I could fly like birds on high And into her arms I'd go sailing

It's far yeah beyond the stars It's near beyond the moon I know beyond a doubt My cares will take me soon

We'll meet beyond the shore We'll kiss just as before Happy we'll be beyond the sea And never again I'll go sailing

We'll meet I know we'll meet Beyond the shore We'll kiss just as before Happy we'll be beyond the sea And never again I'll go sailing

Together you and me Beyond the sea Beyond the sea
